

24 April 1992

Summary

- On way to target, beacon travelled along a highway dotted with run down shacks and small business stores.
- at the target "were men in suits ~~to~~ who could not find the cloud (parachute suit). There was a presence of a vehicle, a land vehicle / an airplane / a big white plane."
- Most important feature was the presence of ^{standing} men in a circle going up and down in an atmosphere of air / water.
- The words Howard associated with Willow / Willard surfaced as being related to the target.
